NOTES FOR BERET OLSDATTER AVELSGAARD

11 May 1999 Page 1

Doc: KLH pp 18-21. Named for her father's mother. Her father died when she was 1 year old. She was adopted by Haakon Olsen Kyllo (RIN# 170) when he married her mother in 1806.

Marr: Kyllo Local History

When Gunnar died in 1838, Beret was left with six children ages 1 to 13, & a large farm to run. According to the local history, she " showed this time and later on that she was strong and didn't give up easy [sic]." After Gunnar died there was was an inventory of the farm on April 23. Gunnar's brother Ole Halvorsen Hofstad [RIN #1275] was chosen guardian for the 6 children. The austion was announced and read by the Vaernes Church and Hegra Church Sunday June 3rd. Like this:

AUCTION

First Saturday June 16th at 11 AM there will be auction on the Kyllo Farm

Beddings, clothes, transport, tools, big and small animals, sheeps, cattles, etc. Here are some ....from the auction list; it may interest our times:

1 set of skins 1 pr. of old skins Blankets, 1 down quilt
1 bolster (down pillow)+ 1 head pillow Another same 1 unpainted bed
1 sled 1 pr. of blue pants 1 long sled 1 vessel at 3 tinder
1 church sled 1 smaller vessel 1 work sled 1 old beer-barrel
1 grown goat + smaller, baby goat 1 ko Amsterdam 1 grown goat
1 ko Lorendal 1 young goat 1 langret (1 RD-5 ort -120 skilling)
1 ship [sic-sheep?] & lamb (1 RD- 4 Kr.) 1 bidsel

(Ed. note:The prices are in Riksdaler ort and skilling they had in those days.) They made 136 RD, 1 Ort & 17 shillings.

Beret ran the farm alone for awhile. In 1840 she was married again to Torstein T. Roan from Lanke. Before she married Torstein the farm was rented except for the farm was rented except for one part that was bought before Torstein bought one part that was bought before Torstein bought the whole farm date July 1, 1844.

Torstein & Beret had 4 children together. Torstein died young (49 years old).

Beret was alone again, with 10 children: 6 from the first marriage ages 31 to 19; 3 from the 2nd marriage ages 16 to 9. Now there were questions about dividing the farm. A meeting of the heirs was held April 21st, 1857 on Torstein's farm. It was decided that the farm should be divided in two equal parts between Torstein's step-son Hagen Gundersen and his son Gunnar Torstensen. But the division never did take place. Hagen got married in 1858 and started to run his part of the farm, while it wasn't that easy for Gunnar, & he left for the USA in 1861, where he disappeared. No one ever heard from him again. His mother ran his part of the farm together with several of her children. In 1865 the census shows the following on the two farms:

1st Farm Haagen Gundersen, farmer, age 40; Sara Olsdatter, wife; 3 children- Gunnar,7; Birgitte,4; Ole,2. Blacksmith (Smed), Nils Gundersen, 22 yrs. old; Maid, Marit Jonsdatter, 22 yrs. old. 1 horse, 4 cows, 8 sheep.

2nd farm Berit Olsdatter, mother & farmer. Randi Gundersdatter, 31 y.o.; Berit Torsteinsdatter, 22 y.o.; Otto Torsteinsen, 19 y.o.(He helped his mother with the farm). 1 horse; 4 cows; 9 sheep; 1 pig.

Berit didn't give up her part of the farm before she left for the USA in 1866 to her children over there. Haagen took over the rest of the farm, and in 1885 [took ownership] legally through the court, because Gunnar was declared dead.

Quoting from the local history further " The 1850's were a dramatic time. First of all there was awakening religion all around the district in the latter part of the 1850's, and withdrawal from the state church. The home Kyllo experienced this. In the church book from O. Stjordal is written,' Aug. 26 1858 Discharged from state church is Hagen Gundersen Kyllo, son of Gunder Halvorsen Kyllo and wife Berit, 33 y.o.--to go to Free Evangelical Church in Levanger." At the same time Hagen's siblings are discharged: Ole Gundersen 28 y.o.; Randi Gundersdatter 23 y.o.; Anne Bergitte Gundersdatter 18 y.o.." That is 4 of Berit's children from her first marriage that left the state church. Only Sigrid, who was already married, and Halvor were not discharged. Of the 6 people discharged from the church in Ovre Stjordal in 1858 were these 4 siblings."

Also, of Berit's 10 children, one after the other left Norway. Of her 6 children from her first marriage 5 left, 4 to the USA & 1, Ola, to Australia. From her children of her 2nd marriage, one died as an infant, the other 3 left for the USA. At last also Berit, along with 3 of her children, went to the USA to join all her children there in 1866. Only Hagen, the oldest, was left in Norway. In the church book for O. Stjordal it says: " Leaving in 1866, April 22, widow Berit Olsdatter 62 y.o. to USA; datters: Randi Gundersdatter 31 y.o.;

NOTES FOR SIGRI GUNNARSDATTER KYLLO

11 May 1999 Page 1

Doc: Local History Book Stjordal Commune, p. 26, Lower East Kyllo farm: Sigrid, b. 2/16/1827; married to Gunnar A. Husby (Stjordal). Also, on p. 39: under Husby farm B; Gunnar Arntsen Husby--m. 2/24/1854 to Sigrid Gunnarsdtr. Kyllo (Hegra, farm #29), b. 2/16/1827.

The family went to America in 1866. They sailed from Trondheim harbor on the vessel NEPTUNUS, arriving in Quebec on May 4, 1866. The ship carried 354 passengers, was Captained by H.N. Ludvigsen, and had a crew of 17. Listed among the passengers are: Gunder Huusbye, 42; Sigrid Gundersd., his wife, 38; Sigrid Gundersd., daughter, 8; Anna Gundersd., daughter, 6; Gunder Gundersen, son, 4; Oline Gundersd., daughter, 1. Listed just below this family are Bereth Olsdatter Kyllo, 65; Randi Gundersd., his (sic)daughter, 30; & Ole Torstensen, his (sic)son, 12. Also listed with this family group is Ole Lorentsen, 13 1/2, servant. (See Husby file for zerox copies)

She & her husband were 2nd cousins, 3rd cousins & 3rd cousins once removed!!

According to her obituary (Jackson Republic, 8 Sept 1916--see file), she & her husband settled first in Goodhue Co., Minn., living there 2 years. They then moved to Jackson Co. in 1868, and "settled on a homestead north of town".

This is the "Broomstick Grandma" who left two little graves of her children behind in Norway; settled in Minnesota to bring up her large family; lost her husband to an early death; maintained her independence her entire lifetime by living alone first in a little house on her farm (until 1911), which her daughter & son-in-law, Sigrid & Albert Leverson, took over, then on the J.H.Ree

farm, with her daughter Anna Bergitte Ree (until 1914), then, when both families moved into Jackson, she had her own little house moved from the farm into Jackson between the Ree & the Leverson home. She lived alone there until a few days before she died, when she announced that it was "time to move over to

Albert's house", & died there peacefully, surrounded by her large, loving family. RKF's mother, Rena King, always spoke with special love of her, as, years later, does her Grand Niece, Palma Olson Chistensen. According to Rena,she was called "Broomstick Gramma", because she was no taller than a broomstick.

Kyllo Local History (p 46) note:" When Sigrid's grandchild Sarah Pinsch {RIN# 1438} was 10 years old {in 1905}, she came to her grandmother & lived there a whole year. Her fondest memories are from that time with her grandmother. Gunnar had already died, in 1880, only 58 years old. The harsh climate on the Jackson prairies took its toll on him, said Sarah."

She had 38 grandchildren, 55 great-grandchildren, & well over 61 gr-gr-grandchildren, by actual count on 30 July 1991!!!!

Her funeral services were held in the Albert Leverson home & the Des Moines Valley Lutheran Church on Sat., Sept. 2, with the Rev. T.J. Knutson presiding. All her surviving children were present except Anna Bergitte (Mrs. Tom Johnson) of Camrose, Canada. She is buried at Slabaaken Cemetery, in Belmont Township, next to her husband, under the name "Sigri Hans Hustru". [Sigrid His Wife]

An obituary printed in BUDBAEREREN, Dec. 9, 1916 (see file for copy), lists her surviving children & her surviving siblings: her sister, Mrs. Ree and her brother Otto Kyllo, of Minneapolis, MN.

NOTES FOR GUNDER ARNTSEN HUSBY

11 May 1999 Page 1

Husby is a very common name in Norway(Husabyr in old Norse).It means a very well run farm with many & nice houses, according to Professor O. Rygh. Spellings of the name, in addition to the two previous, include Husaby, Huseby, Huszeby, Husbye,Huusbye. Records of the farm date back to at least the 16th Century. The records of the local history book, which RKF obtained at the Trondheim Stats Archiv in 1963 use the spelling Husby, yet Gunder to his grave & on his gravestone spelled it Huseby. The generation after this man in the USA tended to drop the -e- and spell the name Husby.

According to the Rural Land Book of the Stjordal District, he received the deed for Farm B from his father for 2000 dollars April 11, 1853. He & Sigrid lived there until they sailed for America on April 19, 1866. Two children died in Norway & 4 others went with their parents. The census of 1865 showed the farm had 4 horses, 9 cows, 12 sheep, 1 pig. The farm was sold to Johan Ottar Johnsen Husby & eventually to the older brother of Ole Andreas Skaaraan, b. 30 Jan 1891, who was the owner in 1963 when JGF & RKF visited Huseby, & also a few years later when Hazel & Bob Hartmann visited there. He knew exactly who we were & pointed out RKF's grandmother's name, Sigri Husby, in the Land Book from which these records are taken.

After immigrating to the USA by way of Canada, Gunder & Sigri & their family settled first in Goodhue Co., Minn.for two years [where there was a Norwegian settlement from their county, possibly including at least 1 relative, John Avelsgaard]

Moved to Jackson Co., Belmont Township in 1868 & settled on homestead north of town, along with many of their relatives. Again, according to their grandchild Sara Pinsch, " the beginning of their time in America was very difficult for them."

When first in the USA, like many Norsk immigrants, he used several different names. His naturalization papers (1873) are under the name Gunde Arndsen; his homestead deed (also 1873) under the name Gunder Arntson. He always used the name Gunder (instead of Gunnar) after arrival in the USA, and the use of the name Husby came later. This was a typical evolvement in use of the farm name.

Death: His wife was quoted by her grandchildren as saying that the harsh climate and work of settling his family on the Minnesota prairie had taken its toll on him and accounted for his early death.

Burial: His grave is in the Slabaaken Cemetery, one of the old Norwegian Cemeteries in Jackson Co. (It is now called the East Belmont Cemetery.) Photos taken by RKF are in file.

NOTES FOR SIGRID GUNNARSDATTER HUSBY

11 May 1999 Page 1

Doc: Family rec. Sailed from Trondheim harbor in Norway with her parents on 19 April 1866, when she was 8 years old.

Marriage registered in Jackson Marriage Register Book A,pg. 295. Witnesses were Hans J. Re (RIN# 1233), husband of her sister Anne Bergitte Kyllo(RIN# 547) & her uncle,Thrond Thronson (husband of her mother's sister Randi Gunnarsdatter Kyllo,RIN #546)

After her marriage, she kept changing the spelling of her name(or someone did). On the official birth registers of her children in the Jackson County Court House, she is listed as Sarah (with George); Sahry (with Samuel); Sarah again with all the other children until Olga, when it was Siri. From then on she was called Sigri or Sigrid.

Death: She died unexpectedly of a stroke while most of the family was off at a wedding. Elvin, then only 13(and handicapped by the loss of use of one arm due to polio), saddled a horse & rode across much open land to get his father leaving Olga, age 10 & Hazel, age 6, to care for their dying mother.

Her funeral was held in the parlor of her home, her open casket in the middle of the room, her 10 children, ranging in age from 27 to 6, gathered around her.

In June 1990, RKF & JGF, in the company of Palma Olson Christiansen, (daughter of Sigrid's favorite cousin, Olina Ree Olson, a Kyllo kin,who lived nearby & was Sigrid's daily companion) rediscovered the farm outside Jackson where Sigrid lived & died. Palma's recollections of the day of Sigrid's funeral, still vivid after 80 years, are recorded on a tape in the files.

HUSBY NOTES

5 JUNE 1990. JACKSON COUNTY COURTHOUSE, JACKSON, MINN.

Land Records:

Deed Book D, p 578 Completion of sale of land under the Homestead Act to Gunder Arntson 2 Dec 1873. (xeroxed)

Deed Book B, p 450 Gunder Arntson & his wife Siri (sic) Arntson 5 Dec 1873 (3 days later!) sell the land to Hans W. Hanson of Boone Co. Illinois, accepting his mortgage of $350 at 10%. Signed by Gunder & Siri. Certainly Gunder's signature; Siri's is in same handwriting as rest of document. Mortgage was paid off, but the land seemed to keep coming back into the Arntson's possession. On 19 Jul 1880, "Siri Husebye (sic) & Thrond Thronson, administrator of said Siri of the County of Jackson..." sold the land to Berit Olson Kyllo for $200. They gave Berit a mortgage at 7%. (Deed Book F, p 154) Then on 12 Dec 1885 "Siri Huseby (widow of G.A.Huseby)" took assignment of a mortgage on the same land from Hans Hanson. On 19 July 1884 Siri got the land back at a sheriff's auction. Then on 23 Dec 1892 she sold the land to her son G.G.Arntson.

Deed Book L, p 329. "Gunder G. Arntson and his wife Lina" sell some land in the same area for $600 on 12 July 1888. Document signed by Gunder and Lina and witnessed by Siri Huseby.

Jackson Republic, Fri, 31 May 1912, under heading North Belmont:

....Mrs. Sigri Husby & Mrs. Herb Leverson spent last week at A. Leverson's....Geo. Leverson was fixing up J. and E. Kilen's hydrant last week." On next page: "Gilmore (sic) Husby came home Monday evening from Thief River Falls, where he has been working for several months....Miss Sena (sic) Husby, who is teaching at Hutchinson, this state, will be home Thursday for her summer vacation."

8 JUNE 1990. MINNESOTA STATE HISTORICAL SOCIETY, ST. PAUL.

Here we tried to trace the arrivals of the Leverson & Huseby families in Minnesota. This was complicated by the fact that Leversons sometimes used Herbrandson as their surname, as was proper in Norway (Albert's eldest daughter, whom we knew as Helen Leverson, was christened Herbrandson), and the Huseby surname was not often used until after Gunder Arntson's death. Our task was further complicated because 1870-80 US Censuses are indexed by *county**, while the 1875-85 Minn. Censuses are not indexed at all & one must go thru microfilms township by township. RKF believes the Leversons came via Mower Co & the Husebys via Goodhue Co to Jackson Co, so we concentrated on those, looking for the following names: Arntson, Hellikson, Herbrandson, Leverson, Lande*

*(Laude), Huseby, Kyllo. (I gave up on Anders Anderson when I found 35 in the 1870 index!) * indicates those that should be checked on microfilm of census rolls.*

1870 US Census -- only ones of the above found were as follows:

Hous (?) Co
*Arnson, Sigere 996 Blacklam (sp?)

1875 Minn. Census -- examined only 2 townships. (Other in Leverson notes)

1885 Minn. Census

Jackson Co, Belmont Twp, p 2, families 13, 14, & 15: (all b. Norway)

Hans Ree, 54; Bergita, 48; Betsey, 19; Oline, 16; John, 13; Gea, 6; Betsey, 4. (Older "Betsey" is Bergita.)

CONTENTS

This census was taken by the local civil authorities. It lists the names of the farms, farmowners (including widows), sons of farm owners, male farm hands, cottagers and sons of cottagers and the age of each person. The clerical authorities took a census during this same time period. Both censuses should be used as they supplement each other. The clerical census is more complete.

HUSBAND Gunder Arntsen HUSBY-159 Yr of Birth 1822
WIFE Sigrid Gunnarsdatter KYLLO-160 Yr of Birth 1827

HUSBAND - Gunder Arntsen HUSBY-159

Husby is a very common name in Norway(Husabyr in old Norse).It means a very well run farm with many & nice houses, according to Professor O. Rygh. Spellings of the name, in addition to the two previous, include Husaby, Huseby, Huszeby, Husbye,Huusbye. Records of the farm date back to at least the 16th Century.

According to the Rural Land Book of the Stjordal District, he received the deed for Farm B from his father for 2000 dollars April 11, 1853. He & Sigrid lived there until they sailed for America on April 19, 1866. Two children died in Norway & 4 others went with their parents. [The farm was sold to Johan Ottar Johnsen Husby & eventually to Ole Andreas Skaaraan, born 1/30/1891, who was the owner in 1963 when JGF & RKF visited Husby, & also a few years later when Hazel & Bob Hartmann visited there.. He knew exactly who we were & pointed out Ruth's grandmother's name in the Land Book from which these records are taken.]

After immigrating to the USA Gunder & Sigri & their family settled first in Goodhue Co., Minn.for two years. Moved to Jackson Co., Belmont Township in 1868 & settled on homestead north of town.

When first in the USA, like many Norsk immigrants, he used several different names. His naturalization papers (1873) are under the name Gunde Arndsen; his homestead deed (also 1873) under the name Gunder Arntson. He always used the name Gunder (instead of Gunnar) after arrival in the USA, and the use of the name Husby came later. This was a typical evolvement in use of the farm name.

WIFE - Sigrid Gunnarsdatter KYLLO-160

This is the "Broomstick Grandma" who left two little graves of her children behind in Norway,settled in Minnesota to bring up her large family, lost her husband to an early death, maintained her independence her entire lifetime by living alone in a little house either on the Leverson farm (until 1911),or the J.H.Ree farm (until 1914), then when they all moved into Jackson, had her little house moved into Jackson next door to Leverson home. She lived alone there until the day before she died, when she announced that it was "time to move over to Albert's house," & died there a day later. RKF's mother, Rena Leverson King, always spoke with special love of her "Broomstick Gramma", so called because she was no taller than a broomstick.

HUSBAND Gunder Arntsen HUSBY-159 Yr of Birth 1822
WIFE Sigrid Gunnarsdatter KYLLO-160 Yr of Birth 1827

Marriage registered in Jackson Marriage Register Book A,pg. 295.Witnesses were her uncle,Hans J. Ree (husband of her mother's sister Anne Bergitte Kyllo,RIN#547,) & her uncle,Thrond Thronson (husband of her mother's sister Randi Kyllo,RIN #546)

After her marriage, she kept changing the spelling of her name(or someone did). On the official birth registers of her children in the Jackson County Court House, she is listed as Sarah (with George); Sahry (with Samuel); Sarah again with all the other children until Olga, when it was Siri. From then on she was called Sigri or Sigrid.

She died unexpectedly of a stroke while most of the family was off at a wedding. Elvin, then only 13(and handicapped by the loss of use of one arm due to polio), saddled a horse & rode across much open land to get his father leaving Olga, age 10 & Hazel, age 6, to care for their dying mother.

In June 1990, RKF & JGF, in the company of Palma Olson Christiansen, (daughter of Sigrid's favorite cousin, who lived nearby & was a daily companion to Sigrid) rediscovered the farm outside Jackson where she lived & died. Palma's recollections of the day of Sigrid's funeral, still vivid after 80 years, are recorded on a tape in the files.

CHILD 2 - Gunder Arntsen HUSBY-159

Husby is a very common name in Norway(Husabyr in old Norse).It means a very well run farm with many & nice houses, according to Professor O. Rygh. Spellings of the name, in addition to the two previous, include Husaby, Huseby, Huszeby, Husbye,Huusbye. Records of the farm date back to at least the 16th Century.

According to the Rural Land Book of the Stjordal District, he received the deed for Farm B from his father for 2000 dollars April 11, 1853. He & Sigrid lived there until they sailed for America on April 19, 1866. Two children died in Norway & 4 others went with their parents. [The farm was sold to Johan Ottar Johnsen Husby & eventually to Ole Andreas Skaaraan, born 1/30/1891, who was the owner in 1963 when JGF & RKF visited Husby, & also a few years later when Hazel & Bob Hartmann visited there.. He knew exactly who we were & pointed out Ruth's grandmother's name in the Land Book from which these records are taken.]

After immigrating to the USA Gunder & Sigri & their family settled first in Goodhue Co., Minn.for two years. Moved to Jackson Co., Belmont Township in 1868 & settled on homestead north of town.

When first in the USA, like many Norsk immigrants, he used several different names. His naturalization papers (1873) are under the name Gunde Arndsen; his homestead deed (also 1873) under the name Gunder Arntson. He always used the name Gunder (instead of Gunnar) after arrival in the USA, and the use of the name Husby came later. This was a typical evolvement in use of the farm name.

This is the "Broomstick Grandma" who left two little graves of her children behind in Norway,settled in Minnesota to bring up her large family, lost her husband to an early death, maintained her independence her entire lifetime by living alone in a little house either on the Leverson farm (until 1911),or the J.H.Ree farm (until 1914), then when they all moved into Jackson, had her little house moved into Jackson next door to Leverson home. She lived alone there until the day before she died, when she announced that it was "time to move over to Albert's house, & died there a day later. RKF's mother, Rena Leverson King, always spoke with special love of her "Broomstick Gramma", so called because she was no taller than a broomstick.

She had 38 grandchildren!!

She is buried at Slabaaken Cemetery, in Belmont Township, next to her husband, under the name "Sigrihans Hustru". ~~(Don't know what that means)~~

HUSBAND - Gunder Arntsen HUSBY-159

Husby is a very common name in Norway(Husabyr in old Norse).It means a very well run farm with many & nice houses, according to Professor O. Rygh. Spellings of the name, in addition to the two previous, include Husaby, Huseby, Huszeby, Husbye,Huusbye. Records of the farm date back to at least the 16th Century. The records of the local history book, which RKF obtained at the Trondheim Stats Archiv in 1963 use the spelling Husby, yet Gunder to his grave & on his gravestone spelled it Huseby. The generation after this man in the USA tended to drop the -e- and spell the name Husby.

According to the Rural Land Book of the Stjordal District, he received the deed for Farm B from his father for 2000 dollars April 11, 1853. He & Sigrid lived there until they sailed for America on April 19, 1866. Two children died in Norway & 4 others went with their parents. The census of 1865 showed the farm had 4 horses, 9 cows, 12 sheep, 1 pig. The farm was sold to Johan Ottar Johnsen Husby & eventually to the older brother of Ole Andreas Skaaraan, b. 30 Jan 1891, who was the owner in 1963 when JGF & RKF visited Huseby, & also a few years later when Hazel & Bob Hartmann visited there. He knew exactly who we were & pointed out RKF's grandmother's name, Sigri Husby, in the Land Book from which these records are taken.

After immigrating to the USA by way of Canada, Gunder & Sigri & their family settled first in Goodhue Co., Minn.for two years [where there was a Norwegian settlement from their county, possibly including at least 1 relative, John Avelsgaard]

in 1866 on the Neptunos

Moved to Jackson Co., Belmont Township in 1868 & settled on homestead north of town, along with many of their relatives. Again, according to their grandchild Sara Pinsch, " the beginning of their time in America was very difficult for them."

When first in the USA, like many Norsk immigrants, he used several different names. His naturalization papers (1873) are under the name Gunde Arndsen; his homestead deed (also 1873) under the name Gunder Arntson. He always used the name Gunder (instead of Gunnar) after arrival in the USA, and the use of the name Husby came later. This was a typical evolvement in use of the farm name.

Death: His wife was quoted by her grandchildren as saying that the harsh climate and work of settling his family on the Minnesota prairie had taken its toll on him and accounted for his early death.

Burial: His grave is in the Slabaaken Cemetery, one of the old Norwegian Cemeteries in Jackson Co. (It is now called the East Belmont Cemetery.) Photos taken by RKF are in file.

After her marriage, she kept changing the spelling of her name(or someone did). On the official birth registers of her children in the Jackson County Court House, she is listed as Sarah (with George); Sahry (with Samuel); Sarah again with all the other children until Olga, when it was Siri. From then on she was called Sigri or Sigrid.

Death: She died unexpectedly of a stroke while most of the family was off at a wedding. Elvin, then only 13(and handicapped by the loss of use of one arm due to polio), saddled a horse & rode across much open land to get his father leaving Olga, age 10 & Hazel, age 6, to care for their dying mother.

Her funeral was held in the parlor of her home, her open casket in the middle of the room, her 10 children, ranging in age from 27 to 6, gathered around her.

In June 1990, RKF & JGF, in the company of Palma Olson Christiansen, (daughter of Sigrid's favorite cousin, Olina Ree Olson, a Kyllo kin,who lived nearby & was Sigrid's daily companion) rediscovered the farm outside Jackson where Sigrid lived & died. Palma's recollections of the day of Sigrid's funeral, still vivid after 80 years, are recorded on a tape in the files.

Notes

HUSBAND - Henry Albert LEVERSON (Continued)

His family probably moved from Wisconsin to Mower Co. MN, in 1871, then to Kimball Township, Jackson County, about 1875. He was a farmer all his life. His obituary states:"Coming to Jackson County with his parents in the early years of his youth, Mr. Leverson had spent practically his entire life in the Jackson vicinity, where he was well and favorably known in the circles of a large acquaintance."

MARRIAGE: He was united in marriage in Jackson County to Sarah (Sigrid) Huseby, who preceded him in death July 2, 1910. They were the parents of 11 children, ten of whom survived through adulthood.

His first farm in Jackson Co. was in Kimball Twp., where the 1885 MN Census shows his family as follows: Albert Leverson, age 24,b. Wis., parents both b. Norway; Sarah Leverson, age 27, b. Norway; Helen Leverson, age 2, b. Minn.; George Leverson, age 10/12, b. Minn. (His parents, Herbrand and Kari (Lande) Leverson and 7 siblings were living in the next household.)

One land transaction in the office of the Register of Deeds, Jackson, shows a land purchase 16 Nov 1895 when, for the sum of Twelve hundred dollars he bought from Herman L. Strom & Emma G. Strom, his wife, the following parcel of land: The South half(1/2) of the SouthEast quarter (1/4) of Section No. Eleven (11) in Township No. One hundred-three (103) North of Range No. Thirty-five (35), West of the 5th P.M. containing Eighty (80) acres by(?) the same more or less. [An interesting footnote to this purchase is that the County Auditor who recorded the deed was Wm. V. King, RKF's paternal great- grandfather]

He owned many fine horses and reportedly placed some of them in shows and races.

He moved his family to Douglas Cunty in northern Minnesota from about 1902-03 to 1905-06 (where Hazel, the youngest child was born), then returned to Jackson and farmed in Belmont Twp. until 1911,the year after his wife's death. He then sold his farm and moved into Jackson with his children and his aged mother-in-law, Sigrid Gunnarsdatter Husby.

He lived in retirement from then on until he died 40 years later. For several years he owned a home in Jackson, where his daughters kept house for him & took in boarders, mostly school teachers. Eventually he sold his home and from then on he lived in turn with each of his several married daughters for periods of 6 months or so. He was financiaaly independent, traveling around the country in a Model A Ford. He was difficult, stubborn, self-centered and demanding and his moves were usually precipitated by a quarrel with the daughter with whom he had been living, wheupon he would move on to the next home.

His Obituary in the JACKSON COUNTY PILOT under theheadline "Death Summons Albert Leverson At Ripe Old Age". Reads as follows: "Albert H. Leverson, 92, who held the distinction of being one of Jackson County's oldest and earliest pioneers, died Sunday at the Halloran Hospital where he had been a patient only since Friday."

HUSBAND - Henry Albert LEVERSON (Continued)

"During Mr. Leverson's long life in Jackson county he farmed in the earlier years of his life, but in later years he had resided in Jackson and though advanced in years he found much pleasure in the company of his many friends.

"Funeral services were held from the Krause Funeral Home Wednesday, May 28, and were conducted by Rev. T.G. Torvik of Our Savior's Lutheran Church at 2:30 o'clock with burial amid many floral tributes in the Hauges Cemetary in Belmont Township." (Copy of obituary & photos in file)

WIFE - Sigrid Gunnarsdatter HUSBY

BIRTH: She was born December 6, 1857, at Huseby farm, Stjordal, North Trondelag, Norway, the second of six surviving children. [Stjordal Bygdebok p. 26]

She sailed from Trondheim harbor on the NEPTUNUS with her parents & her 3 siblings on 19 April 1866, when she was 8 years old. Her family immediately went to Goodhue County, Minnesota, where they had relatives, and lived there for two years. In 1868 they migrated to Jackson County, Minnesota,and "settled on a farm north of town." [Her obituary]

MARRIAGE: On June 1, 1892 she was married to Henry Albert Leverson. The witnesses were Hans J. Resve, husband of her sister Anna Bergitte Kyllo, and her uncle, Thrond Thronsen, husband of her mother's sister Randi Gununarsdatter Kyllo.
[Jackson Marriage Register Book A, pg 295]

She kept changing the spelling of her name (or someone did). On the official birth registers of her children in the Jackson County Court House, she is listed as Sarah (with George); Sahry (with Samuel); Sarah again with all the other children until Olga, when it was Siri. From then on she was called either Sigri or Sigrid.

The years of multiple chilbirth and extremely hard work feeding and caring for her large family,plus having to cope with an asbusive husband took a toll and her health suffered severely. In June 1990, RKF & JGF, in the company of Palma Olson Christiansen, Sigrid's niece and the daughter of Sigrid's favorite cousin, Olina Ree Olson, a Kyllo kin who lived nearby rediscovered the abandoned farm outside Jackson where Sigrid lived & died. Olina was Sigrid's daily companion and Palma recounted how Sigrid would seek Olina's comfort and understanding. Palma's recollections of the day of Sigrid's sad funeral, still vivid in Palma's mind after 80 years, are recorded on a tape in the files.

DEATH: She died unexpectedly of a stroke while most of the family was off at a wedding. Elvin, then only 13(and handicapped by the loss of use of one arm due to polio), saddled a horse and rode across much open land to get his father leaving Olga, age 10 and Hazel, age 6, to care for their mother as she died.

For several days her open casket stood in the parlor of her home,her 10 children, ranging in age from 27 to 6, gathered around her. A funeral service was held in the church. [See file for large photograph taken during church service]

the china now in possession of several family members. Lived in apartment on Clinton Ave. in Minneapolis.

Created & hand stitched many if not most of the dresses her sisters wore. One, the confirmation dress worn by Ann Leverson, was donated by RKF in 1990 to the Jackson Co. Historical Society, along with a copy of the photograph of the class which shows Ann & her twin sister Rena wearing the dresses.

Returned to Jackson after her mother's death in 1910. Together Teen & Helen started a Millinery Shop above Oscar Berg's store on the main street.

Engaged for awhile to marry a Minneapolis man named Jeff Fleming. Marriage was broken off.

Later lived for a number of years in Moorhead, Minn., with sister Hazel.

Later moved to St.Paul, Minn. & was in charge of millinery in a department store. Had an apartment on Marshall Ave. near U of Minn. campus, where her nieces Betty Ludvigsen & RKF frequently visited her.

CHILD 7 - Anna Otilda (Ann) LEVERSON (Continued)

Lived many years in Duluth, Minn., just off Lake Superior, a favorite visitng place for RKF in childhood and as a young adult. Don & Bob King both lived with her & their Uncle Art for several years while attending junior college

Moved to Minneapolis in mid- 1940s, lived there rest of life. Was active in social, church & civic affairs. Excellent cook, avid reader, ardent baseball fan.

Suffered several years before death with Emphysema, finally succumbed

CHILD 8 - Serena Josephine (Rena) LEVERSON

BIRTH: One of twins (Anna Otilda RIN #39); she was always listed in family records after Ann, so she was probably born second. She and her sister were each given one of the names of their deceased infant sister, Anna Serena.

She grew up on her father's farm in Belmont Township, except for a period of about two yeaes when her fahter moved his family to Douglas County to farm there.

EDUCATION: She attended school through eighth grade in a one room schoolhouse near her family's farm. All of her school mates were her siblings and the children from three or four Norwegian families from the immediate vicinity. The instruction was in Norwegian but the students may have practiced speaking English.

After her mother's death in 1911, her father moved his large family from the farm into a large home in Jackson. She grew into adulthood there, and there are many family tales about the years when she, her sisters and brothers were all courting under her father's watchful eye. She clerked in a dry goods store until her marriage.

Throughout her marriage, she lived in many homes in Jackson -- 27 in all. Typically, she and George would rent a house that was much in need of repair, then scrub and repair every problem to make it comfortable--at which point, the landlord would be able to sell the house for a good price. Finally they were able to buy a home of their own, they moved into it on January 26, 1954, and there they lived happily for almost 10 years, until George's death. Rena continued to live there for another 15 years, enjoying her neighborhood, her friends and her independence.

She kept house essentially as a Norwegian house-wife, following the strict rules of housekeeping she had learned as a child. She was a prodigious baker of Norwegian delicacies and maintained many of the old traditions, especially at Christmas. She was always the historian and story teller of her family's life and her children & grandchildren were much enriched by the knowledge she gave them of their Norwegian heritage.

In 1979, failing health and eye sight made it necessary for her to sell her

home and move into Villa Manor, a residential care facility in Omaha, Nebraska near her son Bob. She maintained an independent living apartment for most of her remaining years, finally moving to a semi-independent apartment in that facility. She was mentally alert and always able to care for herself until the very end of her life.

DEATH: She suffered a major heart attack and was taken to Omaha Methodist Hospital, Omaha, Nebraska, where she died about tweve hours later. All her children were with her and she was rational and serene as she approached her death.

FUNERAL: Her funeral was held in Our Savior's Lutheran Church, where she had been a member nearly all her life. Her granddaughter Amanda Freymann read a tribute as part of the service. Two of her favorite hymns, Just As I Am, and How Great Thou Art, were performed by a soloist. A reception was held in the church basement after the funeral.

BURIAL: She was buried at Riverside Cemetery in Jackson with her husband

Died unexpectedly of pneumonia.

CHILD 10- Olga Erina LEVERSON

BIRTH: [Jackson Birth Register B 118 p 168] Her birth date was recorded by her sister Helen on September 17, 1952, probably because she needed a passport for a trip sge was taking to Cuba and at that point discovered that her birth was not recorded.

She graduated from Jackson High School and married "Chick" Budick shortly thereafter. They had four children, the oldest of whom, Margaret Jane, died tragically at the age og eight, after a simple appendectomy. Olga never really recovered from her beloved daughter's death.

(Leverson) & brother-in-law Art Reibel were their attendants.

Traveled extensively in Europe. Met & traveled in Norway with RKF in summer of 1958, later visited London together with RKF & JGF.

Married Bob Hartman in Edina Morningside Congregational Church.

Traveled extensively with him in Europe & Mexico.In 1973 they traveled to Norway & visited the Husby farm.

Frank is buried Sunset Memorial Cemetery, St. Paul, Minn., inthe same plot with his first wife.

Bob Hartman is buried at Lakewood Cemetery, Mpls. in family plot with his first wife.

Hazel owned a condominium in Edina, and for many years a home in Scottsdale, Arizona, where she spent winters. She traveled and sustained an active life almost all her life. For the last year and a half she lived in Edinborough Plaza, a retirement home, where she had a gorgeous apartment and entertained her friends and family almost until the end. She began to have serious symptoms from her heart disease only in the several months before her death. Finallly unable to manage by herself, she signed into a nursing home about a month before her death. She was alert and composed up to the very end, and died peacefully at 12:30 pm on Sunday, July 13, 1997, just three weeks and two days short of her 93rd birthday.

Her funeral was held on the morning of July 17, at Edina Morningside Church, the same church where she maried Bob Hartman. The minister who conducted the servce and the soloist were close friends and Hazel planned the entire service. Many members of her loving family were there, including her nephews and nieces Don King, Betty Ludvigsen Frederickson, Bob King, Ruth King Freymann, & Noreen Leverson Epsky. Also attending were all of their spouses, her great-nephew Bob King and a number of great-nieces: Linda Frederickson, Jane Frederickson Holmes, Shirley King Plys, & Karen King Lang; her great-grand nieces and nephews Lisa Berger Carpenter, Dustin, Sarah & Kevin Lang.

She was cremated and her ashes were comitted to the grave next to Bob Hartmann in a service before the funeral attended only by her family.

On the day before the service, Don King found among her papers a poem she had selected as a farewell. On each copy she had written the names of each of us to whom she was addressing the poem. Nothing could have been more moving, or spoken more eloquently to the love we all felt for her. The poem reads:

TO THOSE I LOVE

Notes

CHILD 11- Hazel Blanche LEVERSON (Continued)

If I should ever leave you whom I love,
To go the Silent Way, grieve not,
Nor speak of me with tears,but laugh
And talk of me as if I were beside you, for
Who knows but that I shall be oftentimes.
I'd come, I'd come, could I but find a way!
But would not tears and grief be barriers?

And when you hear a song I used to sing,
Or see a bird I loved - let not the thought
Of me be sad, for I am loving you
Just as I always have... You were so good
To me ... So many things I wanted still
To do ... So many things to say to you.
Remember that I did not fear ... It was
Just leaving you I could not bear to face;
We canot see Beyond ... but this I know:
I loved you so ... 'Twas Heaven here with you.
